

GSP H Manual Slicer Basic Analogue

Product information

The manual premium gravity feed slicer sets worldwide standards in terms of ergonomics, hygiene, and safety.

Highlights

Gravity-fed operation for effortless slicing, even with heavy products

Ergonomic, inclined carriage enhances ease of use

Bizerba precision technology ensures consistent slicing quality

Highly versatile – suitable for a wide range of food production environments. Ideal for large kitchens, small delicatessens, and more

Designed with hygiene and safety in mind

Intuitive and user-friendly interface

Customisation Options Include

Different blade types tailored for specific products

Multiple blade covers for added safety when not in use

Specialised product clamps depending on the item being sliced. E.g., tomato-specific clamp for delicate items vs. standard clamp for cooked meats
